Hollywood Stereo Exhibition 2024 notes from the Chairperson.

The 64th PSA Hollywood International Stereoscopic Exhibition 2024 judging was hospitably hosted in the home of David Starkman and Susan Pinsky.

The gracious volunteer judges were:

Jodi Kurland, California, USA

Lawrence Kaufman, California, USA

Jim Long, California, USA

All the images are fantastic. So the judges had the difficult task of sorting out the best of the best.

I was able to attend the judging this year. A special thanks to David Kuntz the wizard of spreadsheets and all things competition related and Cassie Kaufman who handled the scoring.

There were four special category prizes:

BEST 3D EFFECT (BEST3D)

HYPERSTEREO Category

PEOPLE Category

NATURE Category

This year, there were a total of 59 entrants, who submitted 235 total images, 103 of which were accepted. Minimum score: 17, Acceptance: 20, Maximum Score: 24.

A video compilation by Tom Koester of all the accepted images will be forthcoming at the December 19, 2024 LA3D Club meeting. And an HTML5 Web Gallery will be created by Eric Kurland also. A link is below.

We highly value these vibrant contributions to the art of Stereoscopic Photography. I emphatically encourage everyone to participate in the Hwd3Dx2025 next year. Thank you to the entrants for sharing their excellent images.

There were 3 medals (Gold, Silver, Bronze), 4 Special Categories, 8 Honorable Mentions (HMs) for a total of 15 awards, and 103 accepted images.

In attendance at the Judging:

Maestro of Competition Computation: David Kuntz.

Talented Tabulation scorekeeper: Cassie Kaufman.

Image Presenter and Host: David Starkman & Susan Pinsky

We will screen the accepted images at our December 19, 2024 Holiday Party and meeting of the LA3D Club at the Velaslavasay Panorama, 1122 W 24th St Los Angeles CA 90007. And on this club Zoom link: <http://LA3D.Club>.

Entrants are strongly encouraged to join the meeting virtually.

If any other Stereo Clubs want to borrow our video of the acceptances please contact me at the email below.

Make sure to take your stereo camera system with you on every special trip.
