PSA 2023-360

Hollywood Stereo Exhibition 2023 notes from the chairperson.

The 63rd PSA Hollywood International Stereoscopic Exhibition 2023 judging was graciously hosted in the home of David Starkman and Susan Pinsky.

The wonderful volunteer judges were:

Valerie Lettera-Spletzer

James Comstock

Dave Curlender

All the images are spectacular. So the judges had the difficult task of sorting out the best of the best.

I was unable to attend the judging again due to a work conflict out of town. But everything was in place to have a smooth running judging event. Thanks to David Kuntz the wizard of spreadsheets and all things competition related, Lawrence Kaufman, Ed Ogawa, and Cassie Kaufman.

They were four special category prizes :

BEST 3D EFFECT (BEST3D)

HYPERSTEREO Category

PEOPLE Category

NATURE Category

This year, there were a total of 50 entrants, who submitted 200 total images, 81 of which were accepted. Minimum score: 17, Acceptance: 22, Maximum Score: 27

A video compilation by Tom Koester of all the accepted images will be forthcoming. And an HTML5 Web Gallery will be created by Eric Kurland.

We highly value these vibrant contributions to the art of Stereoscopic Photography. I emphatically encourage everyone to participate in the Hwd3Dx2024 next year. Thank you to the entrants for sharing their excellent images.

There were 3 medals (Gold, Silver, Bronze), 4 Special Categories, 8 Honorable Mentions (HMs) for a total of 15 awards, and 81 accepted images.

In attendance at the Judging:

Maestro of Competition Computation: David Kuntz.

Talented Tabulation scorekeeper: Lawrence Kaufman.

Image Presenter and Host: David Starkman & Susan Pinsky

Cassie Kaufman observed proper decorum and guidelines.

We will screen the accepted images at our December 7, 2023 Holiday Party and meeting of the LA3D Club at the Velaslavasay Panorama, 1122 W 24th St Los Angeles CA 90007. And on the club Zoom link. <http://LA3D.Club>.

If any other Stereo Clubs want to borrow our video of the acceptances please contact me at the email below.

Make sure to take your stereo camera system with you on every special trip.
